

Start fundraising on ActBlue

Quick, stress-free setups, so you can hit the ground running.

1. **Start with the basics.** Go to actblue.com and click “Start fundraising.” Enter your information and click “**Save and submit**” to queue your setup request for review.

If you're eligible, you'll be prompted to select **Raise by ActBlue**, our fundraising solution for small-but-mighty state and local teams. Learn more at actblue.com/raise!

2. **Share some additional details.** Once your request is queued for review, wrap up by letting us know which members of your team will need access to the Dashboard and sharing an image for when donors search you up in our directory.
3. **Keep an eye on your inbox!** We'll send you a confirmation email shortly after you click “Save and submit.” A member of our team will email you within 1-2 business days to help you get started.

Create an ActBlue fundraising Dashboard in minutes with [our quick and easy setup form](#). Just submit some key information about your campaign or organization – we'll reach out to get the ball rolling.

You will need:

- A **primary contact** person from your team.
- Your campaign or organization's **legal name**.
- Your **campaign finance** or **FEC ID number**. This will speed up your setup!
- Other key details about your campaign or organization, such as your jurisdiction or mission statement.
